

cu_gf_deep::cup_kbcon

```
graph LR; A[cu_gf_deep::cup_kbcon] --> B[cu_gf_deep::get_cloud_bc]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'cu_gf_deep::cup_kbcon'. The right box has a white fill and a black border, containing the text 'cu_gf_deep::get_cloud_bc'. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
